

Are you
okay?
Does it
hurt?

—
If I get
something
cold for
your eye,
okay?

Does it
still hurt?

I feel
better now...
Sorry the button
you took there...
Is your hand
okay?

I'm okay,
don't worry
about me

Sorry,
about...

Can I
ask about
that eye
—?

I'm
sorry! You
don't have to
if you don't
want to talk
about it!

In the
past, I used
to talk about it
to myself!

It's
all...

?

You
are...

**This man
was given to
me by my
mother when
I was a child**

**My parents
scolded each other**

**So much that,
even as their
child, I would
find myself
left alone**

Let them
when I was 14
my father
protected me
from an awkward
and painful
crisis

Since
that day, my
mother became
emotionally
available

Why
is that
you are
gone

When
are
you

Why
were you the
one to come
back??

I'm
sorry
mom
I...

NEVER
SHOULD
HAVE
BEEN
BORN

SOME-
ONE
LIKE
YOU

From that day,
I was taken away
from my mother
who was visiting
a hospital.

Even now,
I still don't
know where
she could
possibly be.

Since I
can't find
her, I could
never find her.

I'm sorry
you had to
live with a
depressing
story...

Thank
you for
telling me
about it

And
she

Sorry

Thank
you for
being
born

*I'm glad
I've met you
Jo*
